

Moved to the Grand Strand in 2007. Being an Aquarian it was his dream to live close to the ocean. At the beginning, he wanted to take some time off from the corporate world, but when he decided to go back to work it was very difficult for him to find a place where he could grow personally.

He decided to work from home as a translator, but being a trainer for many years and teaching other people new skills always have been his passion. He wanted to be doing what he likes to do best, be challenged, and help others.

In 2011, he completed his 200 hours of Vinyasa Flow Yoga Instructor under Angelique Grant at Yoga in Common, Myrtle Beach, S.C. Since

that time, he has continued his studies in the Foundations and Teaching Techniques of the Primary Series of Ashtanga Yoga with senior teachers, including Maribeth MacKenzie, David Robson, David Swenson, Baron Baptiste, Mimi Rose, Beryl Bender Birch, and Tim Feldmann.
