***In the Ancient Motherland of MU (also called Lemuria), many Star Groups were interactive on Earth. They freely came and went here. They brought the gifts of the Higher Dimensional Star peoples to Earth. One of these was Mu Healing Circles. They gathered in a group to share and assist one another. Aurora is Bringing in this ancient healing circle through a channeled group meditation. The Star families will come in and speak as needed for the group that is gathered for the meditation with Aurora. If your guidance calls for you to attend a Lemurian Healing Circle, the Star Groups of Divine Love will welcome you.***

*Aurora is a Spiritual Intuitive and a Multiple Channel. She Channels Archangels, Ascended Masters, The Great Mothers, Mary Magdalena and the Women Healers, and representatives of the Great Star Nations. Private Phone Sessions can be scheduled through her website.*
